Dear Andrew and Samantha,

Thank you for your generous sponsorship of the South East Cougars.

With your support we are able to deliver a better service to our footballers who may be our future Socceros and/or Matildas.

In recognition of your support the Soccerwise logo and a link to your website have been added to our website for the 2009/10 season.

On behalf of the committee, the parents and the players of the South East Cougars we thank you for your sponsorship. We hope to work closely again in coming seasons.

Yours faithfully,

Kevin Milstein
