Dear Andrew Freund

The 2012 Yavneh Parents Organisation Hostess Function was an overwhelming success. The atmosphere in our College Hall was warm and buzzing as 250 women enjoyed an insightful and humorous presentation by Australian author and columnist Kerri Sackville. The evening included sensational vouchers and raffle prizes and a magnificent supper. In all, over \$20,000 was raised for Leibler Yavneh College.

On behalf of the Hostess Function Committee, the Yavneh Parents Organisation and the students of the College, we sincerely thank you for your support and generous contribution towards making this event so successful.

We look forward to working with you again in the future.

Kind regards,

**Kim Kreuzer**  
Function Co-Coordinator
